

IN THE FRAMEWORK OF THE SOCIAL SECURITY WEEK IN LIFE PROJECT, THE SECRETARIAT OF HEALTH WILL CARRY OUT A DAY OF AFFILIATION TO THE SUBSIDIZED REGIME

**The event will take place on April 29 from 8:00 a.m. to 12:00 noon and from 2:00 p.m. to 5:00 p.m.*

Within the framework of the national celebration of the Social Security Week in Life Project, the Departmental Secretariat of Health will carry out on April 29, the day of affiliation to the General Social Security System.

In 2011, from Law 1502, the stimulus, education, promotion and appropriation of the social security culture in Colombia was declared of general interest and, in particular, the knowledge and dissemination of the principles, values and strategies on which social protection is based.

Complying with the above and in order to achieve universal health coverage, as established in Law 1438 of 2011, on April 29, on the first floor of the Coral Palace Building will be the space for the membership day, which will start from 8:00 a. m. to 12:00 noon and from 2:00 p.m. to 5:00 p.m.

During the event, people belonging to the list of underprivileged uninsured population will be affiliated, which generated a total of 169 people with a Sisben score of 0 to 51.57 points and validated by the National Planning Department.

In addition, those individuals who are part of the census list and do not have any type of affiliation, will be included, such as the victims of the armed conflict, indigenous people, minors in protection of the ICBF, persons under the protection of the elderly, homeless, indigents and other population groups that are certified by the competent authority.

The assistants will be affiliated to the subsidized regime of the Health Service Provider

(Nueva EPS), the only Health Service Provider that is enabled in the Department to operate this service. We will also assist those people who meet the requirements to apply the novelty of mobility or transfers.

For affiliation, the following should be taken into account:

- Copy of your legible birth certificate if you are under 7 years old.

- Copy of Identification card enlarged for children 7 to 17 years old.

- Copy of I.D. Card enlarged by both sides for those 18 years and older.

- Copy of your Sisben, validated by the DNP with scores between 0 to 51.57 points.

Similarly, throughout the week, starting on April 23, the Secretariat will carry out various activities in order to highlight the importance of social security and establish a life project. These initiatives are:

- Pedagogical workshop at the Brooks Hill Educational Center, from 7:00 a. m. to 8:30 a. m. The employees of the Secretariat will promote a formative experience in which students will identify behaviors associated with social security at different stages of life path.

- Pedagogical workshop from 9:00 a. m. to 11:00 a. m. with high school students of the Industrial Educational Center. The objective is to generate a conversation with students from 11th grade about the relationship that social security has with their life project and to promote a reflection on the impact of their decisions and behaviors.

- Newsletter of the week of social security and socialization of Social Security topic in Life Project on the Marina Stereo local radio station.

- Social security talks on life project, on Teleislas Regional Channel morning program, on April 25.

- Training session in Social Security with the topic of free choice in the assurance by the Secretariat of Health.

Likewise, the presentation of the advances in strengthening the culture of Social Security by the Health Service Provider (Nueva EPS) and Sanitas in 2018, for different audiences. The event will take place on April 29 from 8:00 a. m. to 12:00 noon at the Local Government Auditorium.
